"The Phoenix and Turtle"

by William Shakespeare

Produced by the Taffety Punk Theatre Company

September 3, 2006 at The John F. Kennedy Center

for the Performing Arts

Score Collaborator and Performer.

OTHER EXPERIENCE:

Performed and recorded original music extensively, in bands and solo, electric and acoustic. Guitar, vocals, and songwriting for bands Norman Mayer Group, Cry Baby Cry, and solo acoustic, including several national tours and four full-length albums. Engineered and produced recordings for bands and solo artists via Donkey Palace Recordings.

TECHNICAL SKILLS

Fluent in and comfortable with computers, computer programming, and the technical side of music production. Software includes Ableton Live and Pro Tools; hardware includes sound boards, amplifiers, and various and sundry outboard recording gear (preamps, compressors, and the like). Other technical skills include web development and design.

Proficient on guitar, vocals, and oboe. Some keyboards, percussion, and other miscellany.

EDUCATION: B.A. in Philosophy (*cum laude*), University of Rochester, 1988
